High Gloss Surfaces

Our Synchronicity High Gloss program raises gloss desirability by a factor of three. From an array of solid colors to attractive wood grains and intriguing patterns, our three gloss material options are each crafted with their own unique qualities, establishing multiple price points...but all offer exceptional durability, heat and scratch resistance, UV protection from color fade, and easy cleaning and care.

Drawer Construction Reliability

It's the brawn behind the beauty...classic English dovetail construction that is the foundation of our custom drawer box program. Crafted of the finest beautiful hardwoods, protected with a durable clear satin finish to preserve that beauty...and the custom sizes and functionality that have made them the master cabinetry craftsman's drawer boxes of choice.

Range Hoods

There is something about range hoods that make them a special element in the kitchen. Their very nature gives them the ability to become a focal point of the room. For this reason we continue to place emphasis on expanding range hood options and exciting mantle designs, transitional hoods, elegant European styles, island hoods and much more...all in sizes to accomodate nearly any space.

Mouldings

Time to complete the look! From crown, to light rail, to baseboard and trim, these seemingly simple additions add so much – at the ceiling, at the bases of cabinets, at the floor – complementing a room's design with alluring subtlety. These are among the details that elevate great to extraordinary.

All products on this page are shown in Hard Maple with Cadet Grey Shoretone and Coffee glaze.

Incomparable Integration

Enhancing cabinetry with carved accents and functional accessories is all about personal taste. Some desire the distinctively ornate... others, simple and understated. Some feel it in that middle ground. But it's the flawless integration of these complementary components that makes all the difference...that seamless blending of the perfect touches that invariably evokes the resounding response, "yes...that's it. That's exactly right!"

Architectural Accents

Creating the height of style and design with extraordinary architectural details can mean the difference between great and incredible. Our selection of over 2,000 posts, feet, and corbels offer the discriminating homeowner classic designs, both simple and ornate...in any size, specie, or configuration.

Lasting First Impressions

The finishing touch of our craft is always the first image that meets the eye. That’s why we’ve gone to great lengths to be the finish leaders. Whether it’s a clean and simple painted effect, or one augmented with an intriguing glaze, or an unusual stain that captivates the viewer, our finishing skills are unparalleled. With well over a thousand finish options and custom creations, the possibilities are limited only by the imagination. Painstakingly hand applied or using the latest finishing technology, and sealed to preserve the beauty for a lifetime.
